

Dealer Alert

Micro-Trains factory and front office is temporarily closed due to a recent fire to our region.

Micro-Trains is grateful to the First Responders who worked to save as much as possible during the recent sweeping fire to our region.. We are thankful that the factory and contents survived. Our hearts go out to our community, neighbors and our employees who have suffered devastating loss including homes and all the contents. Due to no power or water in Talent we are temporarily closed. We will keep you updated.
